

Experiment 11 – Memory Allocation

```
student@ubuntu:~$ ./memory.sh
Memory Blocks: 100 500 200 300 600
Processes: 212 417 112 426
First Fit: Allocation Demonstration
Best Fit: Allocation Demonstration
Worst Fit: Allocation Demonstration

Process No  Process Size  Block No
1           212           5
2           417        Not Allocated
3           112           2
4           426        Not Allocated
student@ubuntu:~$
```
